

Pledge to make a small change

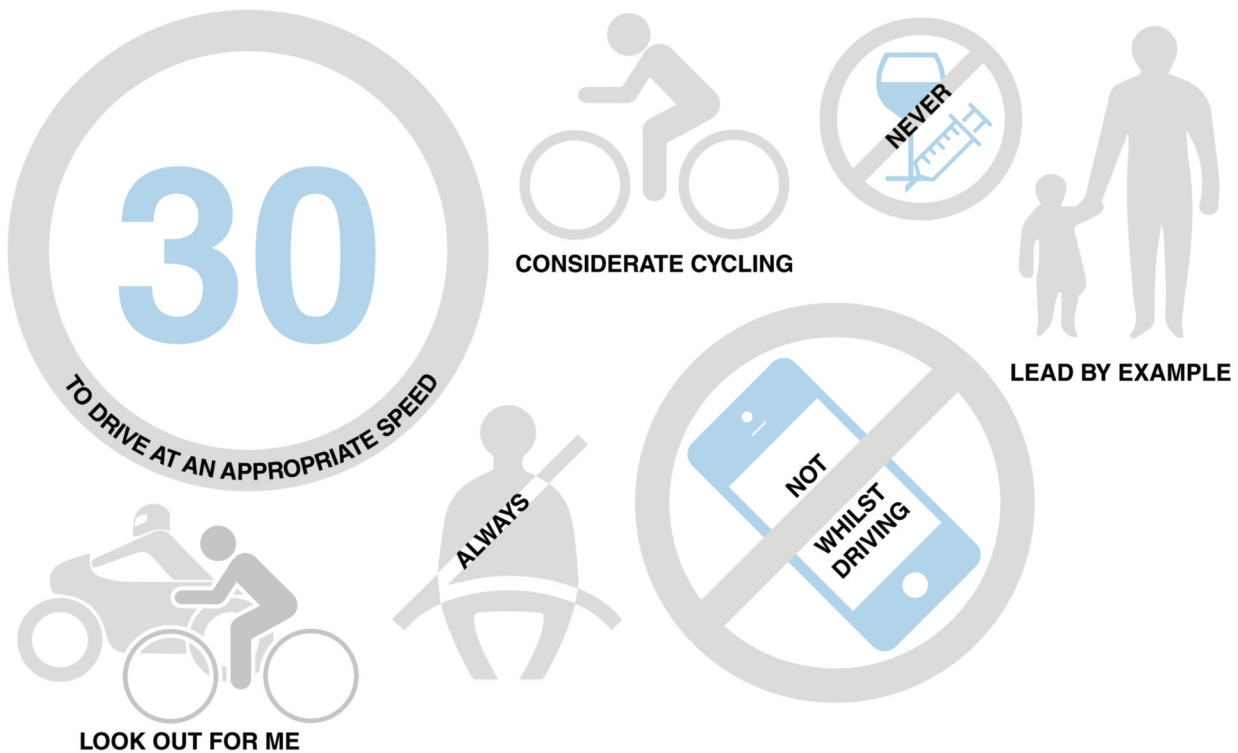

Making a small change to how you drive, ride your motorbike or bicycle, walk and cross roads or ride your horse on the road could really improve your safety and the safety of others.

If everyone makes a small change by pledging, it will collectively make a huge difference in reducing the numbers of people killed or seriously injured on Essex roads.

Think about your family and friends and do your part for road safety in Essex!

You can pick your 'small change' from the selection below or write your own. You may be pledging just to *try* something or to *think* about something but if it helps you think about how you use the road or helps you concentrate on your driving then it will make a difference. You can pick one or all of them, it's up to you!

Thank you!
